Stylution International (China) Corp

THREE MAJOR MANUFACTURING BASES IN THE WORLD

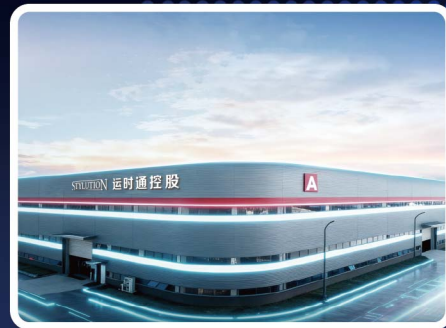

Founded in 1973, Stylution has over 50 years of expertise as one of China's pioneering innerspring mattress manufacturers. With three production bases covering 200,000 square meters, we specialize in mattresses, bed frames and foam.

We feature intelligent production lines including a 2,000-meter automated line and Asia's first AI robotic arm mattress line in our East China Branch, enabling efficient, standardized manufacturing.

As a fully integrated group covering R&D, production and sales, we provide high-quality products and professional services to global customers.

SOUTH CHINA HEADQUARTER

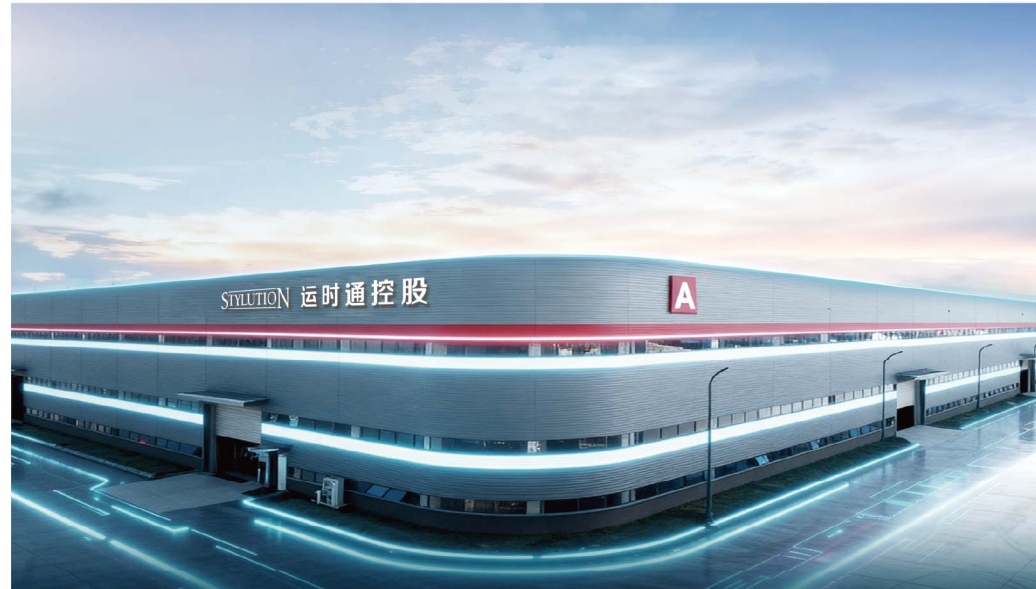

Established in 1997, we specialize in mattresses, bed frames and foam across 200,000 m². Our 2,000m intelligent production line enables efficient, automated manufacturing, delivering quality products and services globally.

EAST CHINA BRANCH PLANT

Opened in 2025, the East China Branch features Asia's first AI robotic arm mattress line, leading the industry in intelligent, high-efficiency manufacturing.

TAIWAN HEAD PLANT

Founded in 1973, we are a pioneering spring mattress factory with over 50 years of expertise. As a fully integrated facility covering R&D, production, and sales, we deliver proven quality and reliability globally.

1973

Where dreams take flight

1983-1988

Asia-Pacific authorized partner of Restonic (USA) and Musterring (Germany)

1996

The South China headquarters was founded in Dongguan

STYLUTION

2009

Acquired Wickine Bedding in San Diego, California, USA, as well as brands including Sleep Train.

2014

Sleeptherapy was officially launched, and Sleep Train won the Bedroom Furniture Innovation Award at the 20th Shanghai International Furniture Fair.

2016

Successfully set a Guinness World Record in Hanyang, Wuhan by creating the "Longest Human Mattress Domino Line" with 2016 mattresses.

2017

Granted permanent agency rights for Restonic in the Asia-Pacific region.

2021

Awarded the honor of National High-Tech Enterprise.

2023-2024

On the occasion of the Group's 50th anniversary, the South China headquarter commenced industrial renovation, while the East China Branch started its construction.

2025-2026

East China Branch officially operational.

SPECIFIED BY FIVE-STAR HOTELS.

BILTMORE ESTATE

Built between 1889 and 1895 near Asheville, North Carolina, Biltmore Estate is America's largest private residence—a French Renaissance chateau by George Washington Vanderbilt II and a symbol of the Gilded Age. Spanning 16,300 square meters, it has welcomed guests since 1895 with warm hospitality and attention to detail. To uphold this tradition, Restonic offers the Biltmore Series for the estate, inspired by its unique details and designed for today's consumers. The Biltmore Series elevates sleep from ordinary to a tranquil masterpiece.

WYNDHAM GRAND

Wyndham, the world's largest hotel franchisor with over 9,000 hotels globally, has partnered with Restonic to enhance guest rest. Specially designed Restonic mattresses are featured in select Wyndham properties, including Wyndham Grand. Together, they transform a hotel stay into a truly restorative sleep experience.
